2020 Construction Program

Total Costs: $488.7 million - Construction Costs: $430.2 million

Thank you for your interest in Ohio Department of Transportation - District 4’s 2020 Construction Program. This publication is intended to provide a general overview of projects that currently are under construction and those scheduled to be awarded or begin construction in 2020.

The 2020 Construction Program is divided into six sections, one representing each county in District 4. Award dates, expected completion dates, project descriptions, project locations, cost and maintenance of traffic are listed. Total costs include preliminary engineering, right-of-way and construction. County maps have also been included for your reference.

Please keep this book on hand throughout the upcoming construction season. Information regarding construction projects is continually changing; therefore, if you have any questions or require additional information, please do not hesitate to contact us or visit the District 4 website at www.transportation.ohio.gov/dist4 for updates. Follow us on Twitter @ODOT_Akron Like us on Facebook /ODOTD4

### Summit County Active Projects

#### Cleveland Massillon Rd.
*City of Norton*

- **PID:** 97638
- **PROJECT:** 18-591
- **CONSTRUCTION COST:** $8 million
- **TOTAL COST:** $10.7 million
- **START DATE:** April 2019
- **COMPLETION DATE:** August 2020

**PROJECT DESCRIPTION:** Widening of Cleveland Massillon Rd. between Pleasant Drive and Weber St. Work completed in 2019 included the widening of the east side of Cleveland Massillon Rd. Work to be performed in 2020 includes the widening of the west side of Cleveland Massillon Rd. and final resurfacing.

**MAINTENANCE OF TRAFFIC:** A minimum of one lane of traffic will be maintained in each direction on Cleveland Massillon Rd. Various side street closures. All detours will be posted. Access to all businesses will be maintained at all times throughout construction.

#### Howe Ave.
*City of Cuyahoga Falls*

- **PID:** 93819
- **PROJECT:** 19-067
- **CONSTRUCTION COST:** $5.9 million
- **TOTAL COST:** $6.5 million
- **START DATE:** April 2019
- **COMPLETION DATE:** Sept. 2020

**PROJECT DESCRIPTION:** Paving replacement on Howe Ave. between SR 8 and Buchholzer Blvd. Project also includes drainage, curbs, sidewalks, lighting and new signage. Work completed in 2019 included the pavement replacement on Howe Ave. between SR 8 and Main St. and between the McDonald’s entrance and Buchholzer Blvd. Work to be completed in 2020 includes the pavement replacement on Howe Ave. between Main St. and the McDonald’s entrance.

**MAINTENANCE OF TRAFFIC:** The eastbound direction of Howe Ave will be closed through October 2020. Plaza drive entrances may be closed for up to 7 days. All detours will be posted. Access to all businesses will be maintained at all times throughout construction.

---

### State Route 8
*Cities of Stow and Hudson; Villages of Boston Heights and Silver Lake*

- **PID:** 76721
- **PROJECT:** 18-382
- **CONSTRUCTION COST:** $58.6 million
- **TOTAL COST:** $63.6 million
- **START DATE:** September 2018
- **COMPLETION DATE:** July 2022

**PROJECT DESCRIPTION:** Pavement replacement on SR 8 between Graham Rd. to just north of SR 303, including drainage, signing and lighting. Project includes the re-decking of the SR 8 bridges over Hudson Drive and Mud Brook and miscellaneous repairs to nine other bridges. Work completed in 2019 included the pavement replacement in the median lanes on SR 8. Work to be completed in 2020 includes the pavement replacement along the SR 8 northbound lanes.

**MAINTENANCE OF TRAFFIC:** A minimum of two lanes of traffic will be maintained in each direction on SR 8 during peak hours. Various ramp closures at Graham Rd., Steels Corners Rd., Seasons Rd. and SR 303 will occur. All detours will be posted. Access to all businesses will be maintained at all times throughout construction.

---

### State Routes 18, 241 & 261
*City of Akron*

- **PID:** 98475
- **PROJECT:** 19-452
- **CONSTRUCTION COST:** $2.3 million
- **TOTAL COST:** $2.3 million
- **START DATE:** October 2019
- **COMPLETION DATE:** June 2020

**PROJECT DESCRIPTION:** Resurfacing of SR 18 from I-76 to SR 91, SR 241 from SR 764/Triplett Blvd. to Spencer St. and from Goodyear Headquarters to SR 18/E. Market St. and on SR 261 from Romig Rd. to McTaggart Dr. and Edgewood St. to Cedar St.

**MAINTENANCE OF TRAFFIC:** A minimum of one lane of traffic will be maintained in each direction on SR 18, 241 and 261. Occasional nightly ramp closures will occur. All detours will be posted. Access to all businesses will be maintained at all times throughout construction.
Summit County Active Projects Continued

Interstate 76/Main/Broadway
City of Akron

PID: 77269  PROJECT: 16-219
CONSTRUCTION COST: $84.2 million  TOTAL COST: $97.6 million
START DATE: August 2016  COMPLETION DATE: June 2020

PROJECT DESCRIPTION: Reconstruction of the Main/Broadway Interchange along I-76. Project will remove the interchanges at Wolf Ledges Pkwy. and Grant St. and reconstruct access points and realign Main/Broadway at I-76. Work completed in 2019 included the reconstruction of the I-76 westbound pavement and bridges and the reconstruction of the Broadway Ave./Thornton St. intersection. Work to be completed in 2020 includes placement of final asphalt, bridge painting, bridge sealing and landscaping.

MAINTENANCE OF TRAFFIC: A minimum of two lanes of traffic will be maintained in each direction on I-76 during non-peak travel times.

Interstate 76
Cities of Akron & Barberton

PID: 96670  PROJECT: 19-199
CONSTRUCTION COST: $25.5 million  TOTAL COST: $34 million
START DATE: July 2019  COMPLETION DATE: July 2022

PROJECT DESCRIPTION: Widening of I-76 between Central Ave. and the Kenmore Leg. Project also includes the reconstruction and reconfiguration of the East Ave./Wooster Rd./State St. interchange. Project includes the removal of the bridge over Central Ave. and replacement of I-76 bridge over Wooster Rd. Project also includes resurfacing on SR 619 from I-76 to E. Hiram St. and from Harding Ave. to E. Park Ave. and other minor bridge repairs on I-76/Kenmore Leg. Work completed in 2019 included the beginning of the widening of I-76 eastbound, including the I-76 eastbound on-ramp from State St., the construction of the ramp from State St. to Wooster Ave. and the completion of the bridge repairs on I-76/Kenmore Leg. Work to be completed in 2020 includes the remaining widening on I-76 eastbound.

MAINTENANCE OF TRAFFIC: A minimum of two lanes of traffic will be maintained in each direction during peak travel times. Ramp from I-76 eastbound to Wooster Rd. and from Wooster Road to I-76 eastbound will be permanently closed, but not until the new on eastbound on ramp from State Street is open. I-76 westbound ramp to Wooster Rd. will be permanently closed. All detours will be posted. Access to all businesses will be maintained at all times throughout construction.
### Interstate 77 & State Routes 21 & 176

**Village of Richfield**

| PID: 81632 | PROJECT: 19-493 |
| CONSTRUCTION COST: $6 million | TOTAL COST: $6.1 million |
| START DATE: Spring 2020 | COMPLETION DATE: Nov. 2020 |

**PROJECT DESCRIPTION:** Resurfacing of I-77 from the Everett Rd. to just south of I-80/Ohio Turnpike, SR 21 just north of I-77 and SR 176 at the I-77 interchange. Project also includes minor bridge repairs.

**MAINTENANCE OF TRAFFIC:** A minimum of two lanes of traffic will be maintained in each direction on I-77 during peak travel times. A minimum of one lane of traffic will be maintained in each direction on SR 21 and SR 176. The ramps from I-77 northbound to Wheatley Rd. and from SR 21 southbound to I-77 southbound will each be closed for three days. All detours will be posted. Access to all businesses will be maintained at all times throughout construction.

### State Route 91; US Route 224 & Canton Rd.

**Village of Lakemore; Springfield Township**

| PID: 89113 | PROJECT: 19-130 |
| CONSTRUCTION COST: $8.3 million | TOTAL COST: $12.2 million |
| START DATE: May 2019 | COMPLETION DATE: Oct. 2021 |

**PROJECT DESCRIPTION:** Intersection improvements at US 224, SR 91 and Canton Rd. Project includes widening of Canton Rd. to create a dual northbound left turn lane at US 224, widening of US 224 eastbound to create a dedicated right turn lane, widening portions of SR 91 and Canton Rd. to create two way left turn lanes, construction of dedicated U-turns on Canton Rd. at Springfield Lake Dr. and on SR 91 at Linwood Rd. Project also includes access management improvements.

**MAINTENANCE OF TRAFFIC:** A single lane in each direction will be maintained on SR 91, Canton Road, and US 224. **Left turns will be restricted at the SR 91, Canton Road, US 224 intersection for the construction through the intersection.** Left turning vehicles will use the newly constructed median U-turns both north and south of US 224 to complete the left turn movements. **There will be various side street closures.** All detours will be posted. Access to all businesses will be maintained at all times throughout construction.
**Summit County Active Projects Continued**

**Interstate 480**  
*City of Twinsburg*

PID: 84657  
CONSTRUCTION COST: $3.4 million  
TOTAL COST: $3.7 million  
START DATE: Spring 2020  
COMPLETION DATE: August 2020

PROJECT DESCRIPTION: Installation of noise walls along I-480 westbound between SR 82 and Chamberlain Rd.

MAINTENANCE OF TRAFFIC: Traffic will be maintained on I-480. The ramp from SR 82 to I-480 westbound will be closed for 45 days. A detour will be posted. Access to all businesses will be maintained at all times throughout construction.

OUR MISSION

To provide safe and easy movement of people and goods from place to place, we will:
- Improve safety;
- Take care of what we have;
- Make our system better;
- Enhance capacity.

OUR VISION

A long-term, reliable, professional and highly productive organization.

OUR GUIDING PRINCIPLES

We will serve, innovate, and communicate with purpose.
We will be productive, lean, efficient and effective.
We will utilize the public resources entrusted to us by satisfying the State’s transportation needs.
We will be the standard of excellence for winter maintenance.
We will create a working environment based on trust and mutual respect.
We will value the diversity of all ODOT people.
We will work together — one team: the Ohio Department of Transportation.

For more information, contact the ODOT District 4 Public Information Office at (330) 786-2208.
