

# 2021 Central Ohio Construction

## Projects of Interest

PID 105322 / PID 105453

### I-70/71 Downtown Ramp Up - \$120 million

Continue work to widen I-71 at Broad St, replace the Broad St. bridge, construct new urban avenues Lester Dr. and Elijah Pierce Ave., widen and relocate I-70 east, reconstruct Mooberry St. and Parsons Ave., and build a new ramp from Fulton St. to I-70 east.

May 2019 - June 2022

PID 107201

### I-71 Widening - \$49 million

Reconstruct and widen I-71 to three lanes in each direction between the Franklin/Pickaway County Line and SR 665, and replace and widen four bridges.

September 2020 - October 2022

PID 93006

### I-70 Reconstruction in Zanesville - \$81 million

Reconstruct I-70 through the city of Zanesville, including Maple Ave. and the Maple Ave. ramps, resurface I-70 between U.S. 40 and SR 93, and rehabilitate 11 bridges.

July 2021 - October 2027

PID 93109

### U.S. 40 Reconstruction - \$21 million

Replace pavement on U.S. 40 from Columbia Road to the western corporation limit of Kirkersville, construct westbound right turn lanes at Smoke Road and at the future Southwest Licking School access drive, and install traffic signal at future access drive.

April 2021 - September 2023

PID106471

### I-71 Improvements at Polaris/Gemini - \$6 million

Widen I-71 south between Polaris/Gemini and I-270, widen the ramp from I-71 south to I-270 west to two lanes, and construct an opening in the barrier wall to allow traffic coming from Gemini to merge onto I-71 south sooner.

August 2020 - October 2021

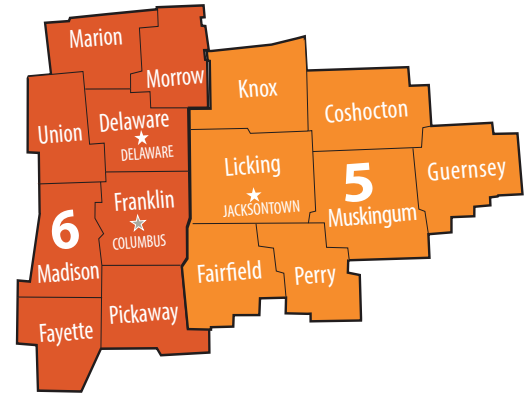

PID 92411

### Granville Bridge Replacement - \$9 million

Replace and widen the SR 661 bridge over SR 16, reconstruct the ramps at the SR 37/661 and SR 16 interchange, and widen SR 37/661 to provide turn lanes.

April 2020 - October 2021
