Via Interstate, US and State Routes  
Miles **0.00**

**Comments**

Maximum of 90,000 pounds gross weight with a minimum of 5 axles. Vehicle must be a semi- tractor -semi-trailer combination that has enough spacing to legally meet the 80,000 pound limit by using the Federal Bridge Formula (51 ft overall spacing with 36 ft inner bridge). No one axle can exceed 20,000 pounds. This permit does not allow any travel over posted structures.

Maximum permitted speed may not exceed 55 mph.

The Human Trafficking page of this permit is not a part of the valid permit and as such enforcement should not be taken for not having that page. All other requirements remain.

**The permittee is authorized to exit the permitted route at any State Highway intersection for food, fuel, rest, or repair provided that the hauler does not travel more than 5,280 feet (1 mile) from the interchange (measured as a lane mile from the junction of the off ramp) and does not cross under (if permitted height exceeds 13 feet 6 inches) or over any structure (structure is defined as anything 10 feet wide or greater). When re-entering the permitted route, the permittee must abide by the same restrictions as when exiting the permitted route. By traveling more than 5,280 feet (1 mile) or crossing over or under (if permitted height exceeds 13 feet 6 inches) any structure the permittee will be considered off route. In the event that the permittee travels beyond the one mile limit, crosses a structure within one mile variance or violates any other provision of the permit, the permittee is in violation and subject to applicable fines and penalties. The permittee should have the ability to see the facility where they are stopping from the permitted route. ODOT recommends that the permittee familiarize themselves with the various exits and entrances they may choose. Permission to travel county or township roads, local streets not part of the State Route, or the Ohio Turnpike must be obtained from the proper authorities. All Permitted Loads Must Stop At All Weigh Stations Regardless of In-Cab Transponder Signal.**

**This is a valid permit issued by the Ohio Department of Transportation in accordance with Section 4513.34 Ohio Revised Code and Section 5501:2-1-1 through 5501:2-1-16 Ohio Administrative Code. Permits Limitation Provisions Form OS-1A (REV01-18) must accompany permit.**

Authorized: 12/09/2021 09:29 AM

## **Be an Everyday Hero! Help end human trafficking!**

Slavery has been illegal for centuries, but **human trafficking has created more slaves today than ever before**. It's happening to our own children in all 50 states and DC, along most of our highways in locations including truck stops, motels/hotels, strip clubs, private homes, rest areas, etc. Traffickers control their victims through force, fraud and coercion. **Any minor engaged in commercial sex is a victim of human trafficking**. If you see a minor working, any of these areas or suspect the person selling sex is under someone's control to make a quota, **make a call and save lives**.

**If you suspect you're seeing human trafficking,  
call 911 and the National Human Trafficking Hotline at 1-888-3737-888 (US)  
or text INFO or HELP to BeFree (233733)**

Calls to the hotline can be anonymous. Provide descriptions of cars and people involved, specific times and dates, addresses and locations where the suspicious activity took place.

### **Red Flags to look for:**

- Does the victim know her/his whereabouts and have control of own ID/passport?
- Is there restricted or controlled communication – victim not allowed to speak for self?
- Have you heard CB chatter about “commercial company” or flashing light signaling “buyer” location?
- Is there acknowledgment of a pimp and making a quota?
- Are there signs of branding or tattooing of a trafficker's name (often on the neck)?
- Does a van or RV seem out of place back by trucks; a vehicle dropping someone off at a truck and returning 15-20 minutes later for a pick-up of a person?

### **Remember:**

Don't approach traffickers. Allow law enforcement to deal with traffickers and recover victims. Approaching traffickers is dangerous for you and the victims. Also, anyone using their CMV to commit to a felony involving a severe form of human trafficking will receive a lifetime CDL ban. All 50 states and DC have a law criminalizing sex trafficking. Some states punish purchasers the same as sex traffickers, and 31 states have a buyer applicable trafficking law prohibiting mistake-of-age defense in prosecutions for buying commercial sex act with any minor under 18.
